# Important Reminders

**Pete King Construction Company** is excited to share with our employees a few benefit plan improvements coming your way.

## Benefit Improvements

### Beginning January 1, 2024

Your pharmacy program will automatically include GoodRx. This will allow all members to benefit from the discounting provided by GoodRx, even if you don't have your card with you.

### As a reminder.....Acupuncture Coverage

**Pete King Construction Company** added acupuncture benefits to all plan options. The benefit will allow you up to 10 visits with an in-network provider and your cost of care will be your PCP copay. Acupuncture is a holistic approach to pain control and an enhancement to our benefit plans.

### PrudentRx

PrudentRx is a specialty pharmacy program that will be added to our existing benefit plan. Members who are eligible and engage with the PrudentRx program will receive their medications with a \$0.00 copay. If you are filling a specialty medication that is eligible for the program, you will opt in and have \$0.00 copay. You do not have to qualify to receive your medication at no cost to you.

PrudentRx will save both you and **Pete King Construction Company** money by stretching the value of manufacturer coupons. If you are contacted by PrudentRx, take advantage of this cost saving program. If you choose not to participate, your cost for specialty medication will be 30%, deductible waived.

### Maintenance Choice Program

Earlier this year **Pete King Construction Company** implemented the Maintenance Choice Program with Aetna. This program allows you to fill a 90-day supply of your maintenance medications at a discounted rate. You can do this via mail-order service or conveniently at your local CVS Pharmacy. If you have question regarding the Maintenance Choice Program, please call 1-888-792-3862.

### Electronic Consent

At the end of your enrollment, you will see an additional form for your review and electronic signature. This form will allow us to send you communication electronically such as your enrollment confirmation, Summary Annual Report and other important benefit communications.

**Pete King Construction** offers employees the option of four unique medical plans using the Aetna Select Network. See the Benefit Summary on page 7 for rates. Our plans include cost containment measures which are shown below. These programs are in place allowing us to continue offering affordable healthcare options to our employees. Please read this information carefully and if you have questions contact the enrollment center.

**Brand name prescriptions will not be covered if a generic equivalent is available.**

The mandatory generic prescription program in place will instruct pharmacists to fill your prescription using the generic equivalent. If a generic is not available, the prescription will be dispensed as written. If you choose to use a name brand prescription when a generic is available, you will pay the full cost of the medication.

**Prudent RX and Pharmacy Plan exclusions**

In addition to the above it is important to note the specialty pharmacy plan program **Prudent RX**. Members using specialty pharmacy may be required to use the **Prudent RX** program. If your medication is approved for the program the cost to you will be reduced. **If you choose not to participate you will pay the full cost of the medication.**

Additionally, our plans exclude **GCIT** medications, regardless of where or how they are administered. Below you will find the list of excluded medications:

<b>Amondys</b>	<b>Abecma</b>	<b>Breyanzi</b>	<b>Luxturna</b>
<b>Onpattro</b>	<b>Tegsedi</b>	<b>Zolgensma</b>	<b>Spinraza</b>
<b>Evrysdi</b>	<b>Exondys 51</b>	<b>Emflaza</b>	<b>Vyondys</b>
<b>Viltepso</b>	<b>Yescarta</b>	<b>Tecartus</b>	<b>Kymriah</b>

**Please note, if you need assistance with obtaining the medications above, please reach out to our team at DBP for assistance. Contact information is on page 32.**

**No out-of-network claims and/or charges will be covered.**

If you have services provided by an out-of-network healthcare provider (doctor, lab, hospital, facility, etc.) the benefit plan will not pay any of the costs of the services.

# Preparing for Enrollment

Each year all eligible employees are required to complete the enrollment process. Our company does not require that you enroll in benefits, but we do require that you acknowledge you were offered benefits with the opportunity to enroll or waive coverage. You are required to complete your enrollment online or by calling our enrollment center at one of the numbers at the bottom of the page. Completing your enrollment online is both convenient and easy, allowing you to do this from your smart phone or the convenience of your home.

Below are instructions to complete the online enrollment process. New enrollees will need to verify your current address, personal information and add eligible dependent information. During open enrollment, enrollees that are renewing coverage need to verify current address, personal and dependent information listed. Please note: Your pin is automatically changed each Open Enrollment period. Follow step #2 to change your password.

**Step 1:** Connect to the website through your web browser at <https://www.benselect.com/peteking>

**Step 2:** At the “Employee Login” screen, enter your Social Security Number and your personal identification number (PIN). Your PIN is a combination of the last 4 digits of your Social Security Number and the 2-digit year of your birth.

**Example:** If the last 4 digits of your SSN are 3214 and you were born on September 21, 1968, your Pin would be “321468”. You will be asked to change your PIN the first time you log on to the system. Be sure to make note of the new secure PIN for future use.

**Step 3:** The Welcome Page should appear on your screen which is the starting point. If you have coverage, your current benefits and cost are listed. Click “Next” and follow the onscreen instructions to enroll in your benefits.

**Step 4: Review Personal Info and Add Dependent Info** Start your benefits enrollment by clicking on “Next” to review your personal information and change your address or other information if needed. Click “Next” to add eligible dependent information for enrollment: name, Social Security Number, birthdate, sex and relation by clicking on the (+) on the right side. Complete the “Add Dependent” screen and “SAVE”. Click plus (+) to continue adding eligible dependents. Verify or correct each name to be exactly as the person’s Social Security Card.

**Step 5: My Benefits - Enroll or Decline each Benefit Option** For new enrollees, your benefit options will be listed. Click “Review” to select plan type coverage or decline coverage and click “Enroll” or “Decline” at the bottom of selected coverage box. “Review” every benefit plan option and select coverage or decline each benefit. For current enrollees, click “review” for costs or to change plan coverage and click “Enroll” or “Decline” at the bottom of selected coverage box. Check the “My Benefits” box on the right for your election in each benefit. A check mark shows you enrolled in the benefit and the cost. An “X” by a benefit shows you “declined or waived” that coverage or you are “not eligible to enroll” in that benefit. Each Benefit must be reviewed and completed to continue the process.

**Step 6: Sign & Submit – Electronic delivery, Acknowledgement of Notices and Important Information and Benefit Verification/Deduction Confirmation**

Review the summary of benefits you elected or declined/waived coverage. Click “Next” to read and electronically sign the Acknowledgment of Notices and Important Information form by entering your PIN. You have completed your online benefit enrollment.

**Step 7:** After enrolling in group health benefits, you must REGISTER with **98point6** – Banner/Aetna’s new virtual care solution. Registration with **98point6** is free. Consultations with a board-certified physician are **free**. If you don’t register within 30 days of your coverage effective date, there will be a \$50 per month charge until you do register with them.

## Enrollment Call Center

Employees may call the enrollment call center to complete their enrollment Monday – Friday, 8am – 5pm AZ time. If you are enrolling any eligible dependents, please make sure you have full legal names, birthdates and social security numbers for each person. Please make sure the name is exactly as shown on the dependent’s social security card.

And whatever you're facing, you have the same support for counseling or medications for mental health concerns. You can see them where and when it's convenient — you choose. Telehealth visits are typically the same cost or less than an in-person visit.

**Plan coverage terms may vary. Not all benefit plans cover these services. Prior to receiving services, confirm telehealth eligibility by checking your member portal for plan details or calling the number on your ID card.**

## Important Notice from Pete King Construction Company About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with **Pete King Construction Company Health Plan** and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decision about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Aetna has determined that the prescription drug coverage offered by the **Pete King Construction Company Health Plan** is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

---

### When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15<sup>th</sup> to December 7<sup>th</sup>.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

## What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current **Pete King Construction Company Health Plan** coverage will not be affected.

If you do decide to join a Medicare drug plan and drop your current **Pete King Construction Company Health Plan** coverage, be aware that you and your dependents may not be able to get this coverage back until your next annual open enrollment.

## When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with **Pete King Construction Company** and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen (19) months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

# COBRA RIGHTS

## Continuation Coverage Rights Under COBRA

You're receiving this notice because you recently gained coverage under a group health plan (the Plan). This notice has important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. This notice explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect your right to get it. When you become eligible for COBRA, you may also become eligible for other coverage options that may cost less than COBRA continuation coverage.

The right to COBRA continuation coverage was rated by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you and other members of your family when group health coverage would otherwise end. For more information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

You may have other options available to you when you lose group health coverage. For example, you may be eligible to buy an individual plan thru the Health Insurance Marketplace. By enrolling in coverage through the Marketplace, you may qualify for lower costs on your monthly premiums and lower out of pocket costs. Additionally, you may qualify for a 30-day special enrollment period for another group health plan for which you are eligible (such as a spouse's plan), even if that plan generally doesn't accept late enrollees.

## What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when it would otherwise end because of a life event. This is also called a "qualifying event." Specific qualifying events are listed later in this notice

After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because of the following qualifying events:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because of the following qualifying events:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a "dependent child."

# COBRA RIGHTS cont'd

## **When is COBRA Coverage Available?**

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. The employer must notify the plan Administrator of the following qualifying events:

- The end of employment or reduction of hours of employment;
- Death of the employee;
- The employee's becoming entitled to Medicare benefits (under Part A, Part B, or both).

For all other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan administrator within 60 days after the qualifying event occurs. You must provide this notice to: Reyna Rodriguez.

## **How is COBRA Coverage Provided?**

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage that generally lasts for 18 months due to employment termination or reduction of hours of work. Certain qualifying events, or a second qualifying event during the initial period of coverage may permit a beneficiary to receive a maximum of 36 months of coverage.

There are also ways in which this 18-month period of COBRA continuation coverage can be extended.

## **Disability extension of 18-month period of COBRA continuation coverage**

If you or anyone in your family covered under the Plan is determined by Social Security to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to get up to an additional 11 months of COBRA continuation coverage, for a maximum of 29 months. The disability would have to have started at some time before the 60<sup>th</sup> day of COBRA continuation coverage and must last at least until the end of the 18-month period of COBRA continuation coverage.

## **Second qualifying event extension of 18-month period of continuation coverage.**

If your family experiences another qualifying event during the 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if the Plan is properly notified about the second qualifying event. This extension may be available to the spouse and any dependent children getting COBRA continuation coverage if the employee or former employee dies; becomes entitled to Medicare benefits (under Part A, Part B, or both); gets divorced or legally separated; or the dependent child stops being eligible under the Plan as a dependent child. This extension is only available if the second qualifying event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.

## **Are there other coverage options besides COBRA Continuation Coverage?**

Yes, instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicare, Medicaid, Children's Health Insurance Program (CHIP), or other group health plan coverage options (such as spouse's plan) through what is called a "special enrollment period."

# COBRA RIGHTS cont'd

Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at [www.healthcare.gov](http://www.healthcare.gov).

## Can I enroll in Medicare instead of COBRA continuation coverage after my group health plan coverage ends?

In general, if you don't enroll in Medicare Part A or B when you are first eligible because you are still employed, after the Medicare initial enrollment period, you have an 8-month special enrollment period to sign up for Medicare Part A or B, beginning on the earlier of:

- The month after your employment ends; or
- The month after group health plan coverage based on current employment ends.

If you don't enroll in Medicare and elect COBRA continuation coverage instead, you may have to pay a Part B late enrollment penalty and you may have a gap in coverage if you decide you want Part B later. If you elect COBRA continuation coverage and later enroll in Medicare Part A or B before the COBRA continuation coverage ends, the Plan may terminate your continuation coverage. However, if Medicare Part A or B is effective on or before the date of the COBRA election, COBRA coverage may not be discontinued on account of Medicare entitlement, even if you enroll in the other part of Medicare after the date of the election of COBRA coverage. If you are enrolled in both COBRA continuation coverage and Medicare, Medicare will generally pay first (primary payer), and COBRA continuation coverage will pay second. Certain plans may pay as if secondary to Medicare, even if you are not enrolled in Medicare. For more information visit:

<https://www.medicare.gov/medicare-and-you>

## If you have questions

Questions concerning your Plan on your COBRA continuation coverage rights should be addressed to the contact or contacts identified below. For more information about your rights under the employee Retirement Income Security Act (ERISA),

including COBRA, the Patient Protection and Affordable Care Act, and other laws affecting group health plans, contact the nearest Regional or district Office of the U.S. Department of Labor's Employee Benefits Security Administration (EBSA) in your area or visit [www.dol.gov/ebsa](http://www.dol.gov/ebsa). (Addresses and phone numbers of Regional and District EBSA Offices are available through EBSA's website.) For more information about the Marketplace, visit [www.healthcare.gov](http://www.healthcare.gov).

## Other Notices

### Newborn & Mothers Health Protection Notice

For maternity hospital stays, in accordance with federal law, the Plan does not restrict benefits, for any hospital length of stay in connection with childbirth for the mother or newborn child, to less than 48 hours following a vaginal delivery or less than 96 hours following a Cesarean delivery. However, federal law generally does not prevent the mother's or newborn's attending care provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). The plan cannot require a provider to prescribe a length of stay any shorter than 48 hours (96 hours following a cesarean delivery).

In addition, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you can enroll yourself and your dependents in medical coverage as long as you request enrollment by contacting **Pete King Construction Company** no more than 31 days after the marriage birth, adoption or placement for adoption. For more information, contact **Pete King Construction Company** at 602-944-4441.

### 60-Day Special Enrollment Period

In addition to the qualifying events listed in the enrollment guide and this document, you and your dependents will have a special 60-day period to elect or discontinue coverage if:

- You or your dependent's Medicaid or Children's Health insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- You or your dependent becomes eligible for a premium assistance subsidy under Medicaid or CHIP.

## PREMIUM ASSISTANCE UNDER MEDICAID & THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDSNOW or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2023. Contact your State for more information on eligibility -

# MARKETPLACE COVERAGE

## New Health Insurance Marketplace Coverage Options and Your Health Coverage PART A: General Information

When key parts of the healthcare law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

### What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

### Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

### Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.<sup>1</sup>

**Note:** If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after- tax basis.

### How Can I Get More Information?

For more information about your coverage offered by your employer, please check your summary plan description or contact **Human Resources – Reyna Rodriguez, 602-944-4441.**

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit [HealthCare.gov](http://HealthCare.gov) for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

<sup>1</sup> An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such costs.

## PART B: Information About Health Coverage Offered by Your Employer

This section contains information about any health coverage offered by your employer. If you decide to complete an application for coverage in the Marketplace, you will be asked to provide this information. This information is numbered to correspond to the Marketplace application.

3. Employer Name <b>Pete King Construction Company</b>	4. Employer Identification Number	
5. Employer Address 11040 N. 19th Avenue	6. Employer Phone Number (602) 944-4441	
7. City Phoenix	8. State AZ	9. ZIP code 85029
10. Who can we contact about employee health coverage at this job? Human Resources – Reyna Rodriguez		
11. Phone number (if different from above)	12. Email address	

Here is some basic information about health coverage offered by this employer:

As your employer, we offer a health plan to:

All employees. Eligible employees are:

Full time employees working 30 hours or more per week, first of the month following 60 days of employment.

With respect to dependents:

We do offer coverage. Eligible dependents are:

- Your Legal Spouse
- Your biological child, stepchild, legally adopted child or a child for whom you, the employee are a legal guardian up to their 26<sup>th</sup> birthday.
- Your biological child, stepchild, legally adopted child or a child for whom you, the employee are a legal guardian who cannot work to support themselves due to a mental or physical disability or disabilities.

If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

- \*\* Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

If you decide to shop for coverage in the Marketplace, [HealthCare.gov](https://www.healthcare.gov) will guide you through the process. Here's the employer information you'll enter when you visit [HealthCare.gov](https://www.healthcare.gov) to find out if you can get a tax credit to lower your monthly premiums.
